

Jasper Gumora

FULL-STACK DEVELOPER

jasper.gumora@g.msuiit.edu.ph | +63 9914769174 | linkedin.com/in/jaspergumora | github.com/Vantaim12

SUMMARY

Results-driven BS Information Technology student at MSU-IIT with hands-on experience building full-stack applications for government agencies, civic organizations, and academic institutions. Proven ability to deliver deployed systems across blockchain, web, and data domains. Seeking a full-stack developer role to create scalable, high-impact software solutions.

PROJECTS

- BetterIligan City (Co-Founder)**

TypeScript · JavaScript · CSS

Civic tech initiative — [betterIliganCity.org](#)
 - Co-founded a volunteer-led platform to digitalize access to local governance, policies, and open data for Iligan City.
 - Architecting full-stack infrastructure to serve Iligan City residents with streamlined government data access.

Gun Safe Zone

TypeScript · React · PostgreSQL

Weapon data & safe zone analysis system for Philippine government agencies
 - Engineered a geospatial weapon data collection and safe zone analysis system adopted by PNP, NPA, and academic stakeholders.
 - Designed a mapping module enabling government agencies to identify and visualize high-risk areas in real time.

Esihagba (Capstone Project)

TypeScript · Motoko · Blockchain (ICP)

Iligan City budget transparency system on blockchain
 - Built a blockchain-based budget transparency platform enabling barangay-level stakeholders to track and verify public fund allocation.
 - Deployed to 5 DAUs with barangay captains as primary users, improving local government financial accountability.

CCS Attendance Monitoring System

TypeScript · Node.js

 - Developed and deployed a real-time attendance monitoring system used by CCS students and organizations, eliminating manual tracking.
 - Integrated data management features ensuring accurate records across multiple college events.

iPlan

JavaScript · Laravel · Bootstrap · PostgreSQL

MSU-IIT budget & project proposal platform
 - Developed the dashboard module enabling MSU-IIT offices to digitally submit and track budget and project proposals.

EDUCATION

BS Information Technology

Mindanao State University – Iligan Institute of Technology (MSU-IIT)

GWA: 1.74

Expected Jun 2026

LEADERSHIP

Tabulation Committee Chairperson

Jul 2024 – Present

SC Executive Council — MSU-IIT

 - Led development and deployment of real-time attendance and tabulation tools used across elections and major campus events.
 - Ensured data integrity and high-quality reporting for all council-managed events, overseeing end-to-end system reliability.

SKILLS

Languages	Rust, Java, SQL, Python, TypeScript, JavaScript, PHP
Frameworks	Spring Boot, React, Laravel, Node.js, Bootstrap, OpenGL, Dart
Databases	PostgreSQL
Tools	n8n, Blockchain (Motoko / ICP), Geospatial Systems
